Resolution 15

15.
 - (a) THAT the Directors be generally and unconditionally authorised pursuant to section 551 of the Companies Act 2006 (the "Act") to allot shares in the Company, and to grant rights to subscribe for or to convert any security into shares in the Company, up to an aggregate nominal amount of £14,037,311 for a period expiring (unless previously renewed, varied or revoked by the

Company in general meeting) at the conclusion of the 2014 AGM after the date on which this resolution is passed (or, if earlier, at the close of business on the date which is 15 months after the date on which this resolution is passed), and save that the Company may before such expiry make an offer or agreement which would or might require shares to be allotted, or rights to subscribe for or convert any security into shares to be granted, after expiry of this authority and the Directors may allot shares and grant rights in pursuance of any such offer or agreement as if this authority had not expired;

- (b) THAT, subject to paragraph (c), all existing authorities given to the Directors pursuant to section 551 of the Act be revoked by this resolution; and
- (c) THAT paragraph (b) shall be without prejudice to the continuing authority of the Directors to allot shares and to grant rights to subscribe for or convert any security into shares (or relevant securities), pursuant to an offer or agreement made by the Company before the expiry of the authority pursuant to which such offer or agreement was made.

To propose the following as special resolutions:

Resolution 16

16. THAT, subject to the passing of resolution 15 in this Notice, the Directors be generally empowered pursuant to section 570 and section 573 of the Act to allot equity securities (as defined in the Act) for cash, pursuant to the authority conferred by resolution 15 in this Notice, as if section 561(1) of the Act did not apply to the allotment. This power:
 - (a) expires (unless previously renewed, varied or revoked by the Company in general meeting) at the conclusion of the 2014 AGM if passed, (or, if earlier, at the close of business on the date which is 15 months after the date on which this resolution is passed), save that the Company may, before such expiry, make an offer or agreement which would or might require equity securities to be allotted after such expiry and the Directors may allot equity securities in pursuance of any such offer or agreement as if this power had not expired; and
 - (b) shall be limited to:
 - (i) the allotment of equity securities in connection with an issue to holders of ordinary shares of 7.375 pence each in the capital of the Company in proportion (as nearly as may be practicable) to their existing holdings and to people who hold other equity securities, if this is required by the rights of those securities or, if the Directors consider it necessary, as permitted by the rights of those securities and so that the Directors may impose any limits or restrictions and make any arrangements which they consider necessary or appropriate to deal with treasury shares, fractional entitlements, record dates, legal, regulatory or practical problems in, or under the laws of, any territory or any other matter; and
 - (ii) the allotment of equity securities for cash otherwise than pursuant to paragraph 16(b)(i) up to an aggregate nominal amount of £2,105,596.

This power applies in relation to a sale of shares which is an allotment of equity securities by virtue of section 560(3) of the Act as if, in the first paragraph of this resolution, the words "pursuant to the authority conferred by resolution 15 in this Notice" were omitted.

Notice of Meeting

Resolution 17

17. THAT the Company be and is hereby generally and unconditionally authorised to make market purchases (within the meaning of section 693(4) of the Act) of ordinary shares of 7.375 pence each in the capital of the Company, subject to the following conditions:

 - (b) the minimum price (exclusive of expenses) which may be paid for an ordinary share is 7.375 pence;
 - (c) the maximum price (exclusive of expenses) which may be paid for each ordinary share is the higher of: (i) an amount equal to 105% of the average of the middle market quotations of an ordinary share of the Company as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which the share is contracted to be purchased; and (ii) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share as derived from the London Stock Exchange Trading System; and
 - (d) the authority conferred by this resolution shall expire at the conclusion of the 2014 AGM of the Company after the passing of this resolution or, if earlier, at the close of business on the date which is 18 months from the date on which this resolution is passed (except in relation to the purchase of shares the contract for which was made before the expiry of this authority and which might be concluded wholly or partly after such expiry).

Explanatory Notes to the Proposed Resolutions

The notes below explain the proposed resolutions.

Resolutions 1 to 15 (inclusive) are proposed as ordinary resolutions, which mean that for each of those resolutions to be passed, more than half the votes cast must be cast in favour of the resolution. Resolutions 16 to 18 (inclusive) are proposed as special resolutions, which mean that for each of those resolutions to be passed, at least three-quarters of the votes cast must be cast in favour of the resolution.

Resolution 1 – Annual report and accounts

The Directors are required to present to shareholders at the AGM the Company's audited accounts and the Directors' and Independent Auditors' reports for the 52 week period ended 29 September 2012.

Resolution 2 – Declaration of final dividend

Shareholders are being asked to approve a final dividend of 3.9 pence per ordinary share for the 52 week period ended 29 September 2012. Subject to approval of the declaration of the final dividend at the AGM, the dividend will be paid on 28 January 2013 to the holders of ordinary shares whose names are recorded on the register of members at the close of business on 14 December 2012.

Resolution 3 to 9 – Re-election of Directors

In accordance with the UK Corporate Governance Code (the "Code"), every Director will stand for election or re-election at the AGM. Biographical details of each Director appear on pages 26 and 27 of the Annual Report and Accounts 2012.

David Thompson cannot be considered independent under the Code, as he previously served on the Board as an Executive Director. Mr Thompson has been Non-executive Chairman since 2002 and has extensive knowledge of the Company, its markets and its people. He also brings to the Board his valuable experience from several other UK companies and wider business interests.

Robin Hodgson, the Senior Independent Non-executive Director, led a review by the Non-executive Directors of David Thompson's performance during the year and concluded that he continues to be an effective and committed Chairman. The Board is also satisfied that the time demands of his outside commitments do not interfere with his role as Chairman.

Robin Hodgson has a wealth of experience and knowledge derived from a career in banking, directorships in finance and industrial companies and service as an MP and member of the House of Lords. Whilst no longer considered independent under the Code, the Company is satisfied that he remains independent in character and judgement, performing his role in an objective manner and, as such, the Board continue to regard him as independent.

In respect of the other Non-executive Directors, Rosalind Cuschieri brings to the Board her extensive experience of the food and retail sector as CEO of Genius Foods and a director of Lightbody Ventures. She was previously Commercial Director at Warburtons.

Neil Goulden provides consultancy to the Gala Coral Group having previously been Chairman of the Group. He has held positions in several other companies in the leisure and gaming sector and also sits on the boards of a number of public bodies.

As Chief Executive of Yo! Sushi, Robin Rowland brings valuable and relevant experience of high street retailing. He has also previously held senior positions in other large retail leisure companies.

Andrew Andrea and Ralph Findlay are both standing for re-election as Executive Directors. Details of their service contracts with the Company appear on page 41 of the Annual Report and Accounts 2012.

The Board is of the opinion, and the Chairman has confirmed, that following formal performance evaluations, each Director continues to make an effective and valuable contribution and demonstrates commitment to his or her role. The Board is satisfied that each Non-executive Director remains independent in character and judgement and that there are no relationships or circumstances likely to affect his or her character or judgement. It unanimously recommends the re-election of all of the above Directors.

Resolutions 10 and 11

Nick Backhouse is standing for election as a Non-executive Director following his appointment on 1 February 2012. A Chartered Accountant, Mr Backhouse is currently the Senior Independent Director of Guardian Media Group PLC and a Non-executive Director of All3Media. Prior to this he held senior financial and managerial positions in a number of companies in the pub, wider leisure and financial sectors. In considering his appointment, the Board was of the view that his financial and wider commercial experience would complement the existing skills and experience on the Board and the Company remains of that opinion. Mr Backhouse has no relationships or arrangements likely to affect his judgement and, accordingly, the Board unanimously recommends his election.

Peter Dalzell was appointed to the Board, with effect from 3 October 2012, as an Executive Director with responsibility for the entire pub estate. He has worked for the Company since 1995 in a number of roles and has, at various times, been responsible for managing the operations of managed, leased, tenanted and franchised pubs. Prior to his employment with the Company, Mr Dalzell spent six years as a licensee and, subsequently, operator of a small pub company. The Board unanimously recommends his election.

Resolutions 12 and 13 – Re-appointment and remuneration of Independent Auditors

The Company is required to appoint auditors at each annual general meeting at which audited accounts are presented to shareholders. Resolution 12 proposes the re-appointment of PricewaterhouseCoopers LLP as the Company's Independent Auditors until the conclusion of the 2014 AGM.

It is normal practice for a company's directors to be authorised to determine the level of the auditors' remuneration for the ensuing year. Resolution 13 proposes to give such authority to the Directors in respect of the Independent Auditors.

Resolution 14 – Directors' Remuneration Report

UK listed companies are required to put before shareholders in general meeting a resolution inviting shareholders to approve the Directors' Remuneration Report.

Explanatory Notes to the Proposed Resolutions continued

Resolution 14 - Directors' Remuneration Report continued

The Directors' Remuneration Report, which can be found on pages 39 to 45 of the Annual Report and Accounts 2012, gives details of the Directors' remuneration for the period ended 29 September 2012 and sets out the Company's overall policy on Directors' remuneration. As required by the Directors' Remuneration Report Regulations 2002, the Company's Independent Auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors' Remuneration Report capable of being audited and their report can be found on page 48 of the Annual Report and Accounts 2012.

Resolution 15 – Authority to allot shares

This resolution seeks authority for the Directors to allot shares in the Company up to an aggregate nominal amount of £14,037,311, being approximately one third of the Company's issued ordinary share capital as at 29 November 2012, excluding the 30,162,339 ordinary shares held in treasury as at 29 November 2012 (this representing 5.02% of the Company's issued ordinary share capital). The authority contained in this resolution will expire at the conclusion of the 2014 AGM or at the close of business on the date which is 15 months following the passing of this resolution (whichever is earlier).

The Directors consider that this authority is desirable to allow the Company to retain flexibility, although they have no present intention of exercising this authority.

Resolution 16 - Disapplication of pre-emption rights (special resolution)

This resolution seeks authority for the Directors to issue equity securities (as defined in the Act) in the Company for cash or to sell treasury shares for cash as if the pre-emption provisions of section 561(1) of the Act did not apply. Other than in connection with a rights or other similar issue, the authority contained in this resolution will be limited to an aggregate nominal amount of £2,105,596, being 5% of the Company's issued ordinary share capital as at 29 November 2012, excluding the 30,162,339 ordinary shares held in treasury as at 29 November 2012 (this representing 5.02% of the Company's issued ordinary share capital). The authority contained in this resolution will expire at the conclusion of the 2014 AGM or at the close of business on the date which is 15 months following the passing of this resolution (whichever is earlier). The Directors confirm that they have no present intention of exercising this authority.

In accordance with The PreEmption Group's Statement of Principles available on www.pre-emptiongroup.org.uk, the Directors also confirm their intention that no more than 7.5% of the issued ordinary share capital of the Company (excluding treasury shares) will be issued for cash on a non preemptive basis during any rolling three year period.

Resolution 17 – Authority to purchase own shares (special resolution)

In certain circumstances, as permitted by the Act, it may be advantageous for the Company to purchase its own ordinary shares and this resolution seeks authority from shareholders to empower the Directors to make limited on-market purchases. The resolution limits this authority to a maximum number of ordinary shares that may be acquired of 57,100,927 being 10% of the Company's issued ordinary share capital as at 29 November 2012, excluding the 30,162,339 ordinary shares held in treasury as at 29 November 2012

(this representing 5.02% of the Company's issued ordinary share capital) and sets the minimum and maximum prices that can be paid (exclusive of expenses). The authority conferred by this resolution will expire at the conclusion of the 2014 AGM or 18 months from the date of the passing of this resolution (whichever is earlier).

The Directors have no present intention of exercising the authority to purchase the Company's ordinary shares but will keep the matter under review. Further, the Directors will only exercise this authority after taking into account the effects on earnings per share and the benefit to shareholders generally.

Any shares purchased under this authority may either be cancelled or held as treasury shares (treasury shares may subsequently be cancelled, sold for cash or used to satisfy options issued to employees pursuant to the Company's employees' share schemes). The authority sought by this resolution is intended to apply equally to ordinary shares which are to be held by the Company as treasury shares.

As at 29 November 2012 there were options over 11,864,330 ordinary shares in the capital of the Company which represent 2.08% of the Company's issued ordinary share capital (excluding treasury shares) at that date. If the authority to purchase the Company's ordinary shares were to be exercised in full, these options would represent 1.89% of the Company's issued ordinary share capital (excluding treasury shares).

Resolution 18 - Short notice of general meetings (special resolution)

Under the Act general meetings (other than annual general meetings) may be called on 14 clear days' notice. The Companies (Shareholders' Rights) Regulations 2009 increases the notice period required for general meetings of a company to 21 clear days. Companies do have the ability to reduce this notice period to not less than 14 clear days, provided that they offer facilities for shareholders to vote and appoint proxies by electronic means and that, annually, shareholder approval is obtained to reduce the minimum notice period from 21 clear days to 14 clear days. Annual general meetings must continue to be held on at least 21 clear days' notice.

The Directors are, therefore, proposing this resolution to seek such shareholder approval for 14 clear days to be the minimum period of notice for all general meetings of the Company, other than annual general meetings. The approval will expire at the conclusion of the 2014 AGM, when it is intended that renewal of this authority will be sought.

Explanatory Notes to the Notice of Meeting

NOTES 1 TO 14 BELOW GIVE FURTHER EXPLANATION AS TO THE PROXY, VOTING AND ATTENDANCE PROCEDURES AT THE AGM.

Entitlement to appoint proxies

1. A shareholder entitled to attend, speak and vote at the AGM is also entitled to appoint one or more proxies to exercise all or any of his rights to attend, speak and vote instead of the shareholder, provided that, if more than one proxy is appointed, each proxy is appointed to exercise rights attaching to different shares held by that shareholder. A proxy need not be a shareholder of the Company. Shareholders who return the form(s) of proxy or register the appointment of a proxy electronically will still be able to attend the AGM, speak and vote in person if they so wish. Shareholders or their duly appointed proxies are requested to bring proof of identity with them to the AGM in order to confirm their identity for security reasons. A shareholder may only appoint a proxy or proxies by:
 - (a) completing and returning the form(s) of proxy accompanying this Notice in accordance with the instructions contained therein;
 - (b) going to www.sharevote.co.uk and following the instructions provided (see Note 2 below); or
 - (c) if you are a user of the CREST system (including CREST personal members), having an appropriate CREST message transmitted (see Note 3 below).

Appointing proxies

2. A shareholder wishing to appoint a proxy should complete the accompanying form(s) of proxy and return it/them to the Company's Registrar, Equiniti at Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA. Alternatively, you can submit your proxy electronically at www.sharevote.co.uk, using the Voting ID, Task ID and Shareholder Reference Number set out in the form(s) of proxy or by using the CREST proxy service. CREST members may appoint a proxy or proxies electronically via Equiniti (ID RA19) in accordance with Note 3 below. To appoint more than one proxy, you may either photocopy the form(s) of proxy accompanying this Notice or contact Equiniti on 0871 384 2274* to request additional personalised form(s) of proxy.

*Calls to this number cost 8p per minute from a BT helpline, other providers' costs may vary. Non UK callers should dial +44(0) 121 415 7047. Lines are open 8.30am to 5.30pm, Monday to Friday.

If more than one proxy appointment is returned in respect of the same holding of shares, either by paper or electronic communication, that proxy received last by Equiniti before the latest time for the receipt of proxies will take precedence. To be valid, the completed form(s) of proxy and any power of attorney or other authority under which (it is/they are) executed (or a certified copy thereof) must be deposited with Equiniti or received via www.sharevote.co.uk or lodged via the CREST proxy service (in each case) not later than 12 noon on 18 January 2013, or 48 hours (excluding non-working days) before the time appointed for holding any adjourned AGM.

Electronic proxy appointment through CREST

3.
 - (a) CREST members who wish to appoint a proxy or proxies through the CREST proxy service may do so for the AGM to be held on 22 January 2013 and any adjournment(s) thereof by

using the procedures described in the CREST Manual (available at www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

- (b) In order to appoint a proxy or to give or amend an instruction to a previously appointed proxy using the CREST proxy service, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) not less than 48 hours (excluding non-working days) before the time appointed for the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- (c) CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- (d) The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5) of the Uncertificated Securities Regulations 2001.

Entitlement to attend and vote

4. In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, the Company gives notice that only those shareholders entered in the register of members of the Company at close of business on 18 January 2013 or, in the event that the meeting is adjourned, in the register of members 48 hours before the time of any adjourned AGM, will be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries in the register after close of business on 18 January 2013 or, in the event that the AGM is adjourned, in the register of members 48 hours (excluding non-working days) before the time of any adjourned AGM, will be disregarded in determining the rights of any person to attend or vote at the AGM.

Explanatory Notes to the Notice of Meeting continued

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights. The statement of the rights of shareholders in relation to the appointment of proxies at Note 1 above does not apply to Nominated Persons. The rights described in that paragraph can only be exercised by shareholders of the Company.

On a poll vote, a shareholder has one vote for every 25 pence of nominal value of share capital (of whatever class) of which he/she is the holder. Accordingly, the maximum total number of voting rights attached to the Company's issued ordinary shares (excluding treasury shares) as at 29 November 2012 was 168,447,736 and the maximum total number of voting rights attached to the Company's issued preference shares was 300,000.

8. A shareholder attending the meeting has the right to ask questions relating to the business being dealt with at the meeting in accordance with section 319A(1) of the Act. In certain circumstances prescribed by section 319A(2) of the Act, the Company need not answer a question.

Shareholder requests under section 527 of the Act

9. Under section 527 of the Act, shareholders meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the last annual general meeting. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.
