Beers

Take a look at our Cask Ale hand pulls or ask at the bar to find out which great ales are on today. We rotate them all the time, so there's always something different to try.

Each barrel contains a truly natural beer, made just the way the master brewer intended. We sample every cask for clarity, aroma and taste, and if it doesn't pass our standards, it doesn't make it into your glass. So when you hold a pint of our proper cask ale, just think: **there's a lot of craft in that glass!**

Spirits

We have a great range of spirits to suit every occasion.

Why not start your meal with a refreshing G&T or end it in style with a Single Malt?
